In Memorium

CAESAR 'CEC' GOMEZ

He was a quiet, warm man who never stopped giving. He gave his time, energies, talents, devotion, and understanding to sports and youth guidance. He never desired credit for his numerous accomplishments.

Born on November 29, 1921, in Grass Valley, he grew up in Redwood City where he attended Sequoia High. He received his college education in Santa Clara. In 1948, Caesar came to Berkeley as a probationary teacher in the Garfield Junior High Physical Education Department. After ten years of teaching at Garfield, he came to Berkeley High.

"Cec" was one of the founders and organizers of the Berkeley Youth Baseball League and the Berkeley Babe Ruth League. He served as manager of Berkeley's Post 7 American Legion Baseball Team from 1953 to 1959. During his last year with the team it won the District 10 Pennant and went on to the State playoffs in Long Beach.

"Cec" coached the varsity swimmers who were ACAL Champions in the 1961, '62 seasons, and finished second, last spring. He served as Junior Varsity Basketball Coach until last season when he moved up to head coach. In his first season the team won the ACAL title, and went on to the Tournament of Champions which was played at the University of California's Harmon Gym. At the T.O.C. they went all the way to the finals only to lose to McClymonds High School in an overtime, with a score of 66-65.

Caesar Gomez was a fine man and will be remembered always by family, friends, associates, and students.

BERKELEY PUBLIC LIBRARY

Mr. Curtice,

Principal

Over the years there have been many discussions relative to the pros and cons of one high school for the City of Berkeley. There are undoubtedly many advantages and disadvantages in having only one school but on this occasion I would like to point out some of the advantages.

We must face the fact that if we are going to learn to live together in this world as adults, we had better start at an early age to learn to judge and appreciate the individual for what he is and not on the basis of his ethnic group, skin color or religious beliefs.

Have you wondered why Berkeley has taken the lead in doing something about race relations, housing, integration in school, etc.? Having only one high school has pin-pointed the problems and brought them to the attention of all Berkeley citizens because all Berkeley's children attend Berkeley High School.

In the opinions of many people, students who graduate from Berkeley High School are better prepared to deal with life's problems in their adult world. Many graduates of Berkeley High have expressed their gratitude for their privilege of attending such an integrated school.

Your principal,

Emery J. Curtice

Foreword

"In all labor there is profit."
—Proverbs XIV, 23

So many times we give up a task in frustration and despair. We do not realize how privileged we are to be given the opportunity to work, and we often give up when the situation seems fruitless and our goals unattainable. But if we really do our best. we will be rewarded — with the proud feeling of accomplishment, or the new knowledge gained through our experience. Therefore let us try in everything we do to be like the seashell producing its pearl — filled with determination, eagerness, and thankfulness.

As the semester opened I recalled the many school and weekend nights of hard work experienced last spring, the difficulty with seniors who did not submit their pictures to the staff on the deadline, and the semi-annual problem of Pod sales. With these and more possible problems, I was not looking forward to this fall's Pod work. But I was soon given confidence when I saw how many staff members and H-12's not on staff were so willing to give their time to the Pod. Believe me, this is enough to encourage any editor.

However, with all of this willingness to help, there were many times of worry and frustration. Students do not realize what hard work is put into both the Pod and the sales by Miss Smith, our wonderful advisor, and the staff. They deserve your sincere thanks and appreciation.

The Pod Staff and Miss Smith have made this book what it is, but you, the student or teacher, who has bought it has made it possible. Thank you.

Now as you begin looking through your Pod I hope many wonderful memories of a part of your life at Berkeley High will be yours.

In closing I want to extend my sincere thanks and appreciation to the Pod Staff for giving me the wonderful experience of working with them.

Best of luck to you all, and may every part of your life have a reward in store for you.

Bellamy Award, 1963

It has been four years since Berkeley High won the Bellamy Award. In 1959 Berkeley High School was honored as the outstanding California high school when it received a flag and plaque signifying its excellence. This year the state of Tennessee was picked to have a high school receive the award. Central High School in the city of Chattanooga was the ultimate choice of the Bellamy Award Advisory Committee. I was fortunate enough to represent Berkeley High in the ceremonies held in Chattanooga on October 11th. The experience was not one I shall soon forget.

Besides honoring a high school, the Bellamy Award is designed to perpetuate the memory of Francis Bellamy, author of the Pledge of Allegiance. The award ceremony included patriotic music, a flag ceremony, speeches from representatives of former Bellamy Award winners, and an inspiring speech by the honorable Frank Clement, Governor of Tennessee. All in all the ceremony reminded those in attendance of the many sacrifices made by unselfish men in the struggle for a free United States.

The whole ceremony would have been less meaningful were it not for the lessons it taught me. Of course honoring our heritage is important because by doing so we learn why we are what we are. But more important is learning the obligation we have to those who have sacrificed their lives for our benefit. We have an obligation to continue our heritage of freedom. For me the lesson was driven home by noting the irony of conducting a ceremony honoring freedom in a place where people with dark skins are not free The brutal fact of our failure as a free nation cannot be escaped upon noting the condition of the Negro in the South. The future of democracy relies on the solution of the race problem by the great patriots of our time.

All Americans must rally to the cause of freedom. The inequality of races is not confined to the South alone. Perhaps the South has more outward expressions of racial inequalities, but the mental condition of one race feeling superior to another is universal. The Bellamy Award was a reminder to me that when we say the Pledge of Allegiance we are pledging ourselves to the idea that all men are created equal.

Respectfully,

John Schweizer

Board of Control

When people ask, "What is a high school?" the answer is most likely to be a description of the buildings and grounds around the school. But the physical aspects of Berkeley High are unimportant. It is the students in the high school that really determines what it is. Berkeley High is great because of the great student body that participates in it. I am indebted to each and every member of Berkeley High for making my semester as Student Body President the enjoyable semester it was.

While my duties often seemed burdensome, my load was lightened by the teachers supporting me. Mrs. Schwimley, Mr. Ehlers, Mr. Langille, Mr. Wilson, Mr. Okerstrom, and of course Mr. Curtice were of invaluable assistance to me in my hours of crisis. Without their help, confusion and insanity would have reigned **throughout** my term of office instead of only most of the time.

No matter how you put it, the success of any semester is largely a result of the spirit and enthusiasm of the members of the Board of Control. I want to thank them for the excellent job they did in carrying out their duties. To the B.O.C. should go most of the credit for making the school function properly.

I owe much to the B.O.C., the teachers, and the fine spirit at Berkeley High. But I am most indebted to the students. Thank you all again for giving me this opportunity of a lifetime.

Being Girls' Association president has been a terrific experience for me. Our dance "Monkey Time" was a complete success both socially and financially. I wish to express my gratitude to the student body for supporting the dance as our bids were completely sold out. We will never forget the task of transforming the social hall into a real, live jungle with load after load of trees and thirty-three pounds of bananas. A special thanks to the boys who pitched in and helped clean up the next day!

Besides the dance, our activities included welcoming both new and low-ten girls in an assembly, our lollipop sales and the farewell and installation.

We are particularly grateful to Mrs. Ulry who trusted our judgement in planning and who backed us up once our decisions were made. The success of the Girls' Association could not have been possible without Barb, Sue, Heidi, and Sharon, who really came through in their jobs.

Though at times, the communications between the officers and the representatives fell down, in general their cooperation was overwhelming. As the representative of the girls at Berkeley High, I hope we have contributed friendship and service to school.

Bon Chance!

Serving as Senior Friend chairman has been an honor. The opportunity to work with 52 wonderful girls, and the B.O.C., has been a stimulating and worthwhile experience that I will always appreciate.

The responsibilities of a Senior Friend are many, but they offer privileges and opportunities to serve and participate in varied activities. Through ushering, helping new teachers, collecting absence slips, and, perhaps most important, welcoming and orienting new students and visitors, we have endeavored to live up to our motto, "Friendship and Service."

The Senior Friends, this term, have worked hand in hand with the G.A. We participated in the G.A. Welcome and Farewell, and in selling GA bids and lollipops. A new service started this term — selling lollipops at the games.

Our success has stemmed from the cooperation and imagination of the girls. I would like to give recognition and my appreciation to my Co-chairman, Gloria Guillermo, and Pat Zook, and also to Mrs. Ulry for her guidance as our sponsor. Without it, the semester would not have been such a success

Rally Committee

BILL URLAUB
Chairman

This semester's Rally Committee has been smaller than most Committees in the past. This is because the graduating class is very small. Each member has done a great job and shown fine spirit. Because of this spirit and enthusiasm, we have made up for the limited number on the Committee.

As usual, the Committee has performed many services: helping at assemblies, rallies and football games, as well as keeping order in the halls. We have also been responsible for raising the flag in the morning.

The organization has raised money selling gremlins, megaphones, and cokes. This money provides funds for a dinner at the end of the semester, the last time the group will be together.

I would like to thank Rich Jevons, my able assistant who has helped me greatly, and our sponsor Mr. Wilson, for without their help, this semester would not have been such a success.

I have really enjoyed serving as Rally Committee Chairman and being acquainted with such a swell group of fellows. I wish them the best of luck.

Honor Society -

DAVE PALLEY
Honor Society President

Honor Society this semester has continued as an organization to provide recognition, privileges, and cultural opportunity for its members, the honor students, and to conduct services available to the entire school community. Through after-school movies and speakers we have tried to start people to thinking about what can be done to solve some of our social problems. We have expanded the tutoring program somewhat, wiped the cobwebs off the speed-reading machine and put it to use. I would like to thank the other officers and our sponsors Mr. Daoust, Mr. Dunlap, Miss Repetto, and Mr. Wenrich for helping to make the activities of this semester's Honor Society successful and worthwhile.

CSF

This past semester has been a very fine one for the B.H.S. Chapter of the California Scholarship Federation. Through selling plastic Pod covers and our joint concession with H.S., we have collected sufficient funds to award the first major scholarship that C.S.F. has given in the past several years.

Many thanks to Mr. Wenrich and Miss Repetto, our sponsors, Mr Daoust and Mr. Dunlap, our co-sponsors, and my two energetic officers, Halcyon Haynes and Jane Landes for their efforts in making this past semester a successful one for C.S.F.

Above all, I would like to thank the members of C.S.F. for giving me the opportunity to serve as their president. Wishing all of you success for the future.

With the close of this semester, we near the end of our stay here at Berkeley High. During the course of the last two and a half years, we have seen the gradual consolidation of our class. We no longer must depend upon a small group of individuals to accomplish the tasks that are set before us. Rather, we now function as one organized group.

I would like to thank those of you who helped make our concession and our movie the success that they were. I would also like to thank the class sponsors and the other members of the faculty who have given us their invaluable assistance.

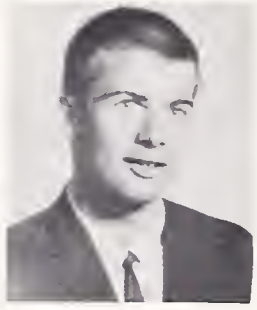
High Eleven Class



KEN BAGGOTT
President

BRONWYN VINCENT
Secretary

SUE PACE
Vice President

At the beginning of this semester I had my doubts as to the support this class would give its officers. My doubts were completely unfounded. Through class meetings, home room representatives and committee work, class enthusiasm has risen one hundred per cent. Our Junior Prom and our slope concession both were great successes. But more important than that is that we have become a unified and working class. We have proven that a small class can have as much spirit as any of the larger ones. For this I extend to you my gratitude. A spirited class is a tremendous help to the president and to the class council.

At this time I wish to thank Mr. Manske and all our class sponsors for the help that they have been.

Now as we step into our final year at Berkeley High let's not forget our Junior semesters, while making our senior year the best of our school lives.

NANCY NELSON
Secretary

As I took office this semester, I was somewhat aware of the responsibility facing me as your class president. However, I had no idea of the enthusiasm and support that would be shown. Now, with the semester completed I can recall many incidents where there was a genuine desire to help.

With this endless support, the class activities were successes in every way. Along with the success of the class as a whole, there were the many other significant achievements accomplished by individual members in the academic, musical, and athletic fields.

It would be impossible to express in this short message, my deep gratitude to all those who helped: my hard-working fellow officers, our understanding sponsor, Miss Nutzman, that financial wizard, Mr. Okerstron, and especially to you, the L-11's. I can honestly say that it was an unequaled honor to serve and represent such a fine group.

CARL VON ROHR
Vice President

GEORGIANNE DAVIS
Secretary

As our first school year draws to a close we have accomplished a number of things.

First, in our class dance, the hard work of many students showed good results: a successful Soph Hop! From there, with great vigor, we jumped into our concession and again we were quite successful.

Although we made a substantial amount of money in both our dance and concession, the thing that impressed me the most was the cooperation, vitality, and participation our class showed in achieving our favorable results.

I would now like to officially thank all you H-10's, Mr. Copely, our head sponsor, and especially my fellow officers: Carl, Gergianne, Beth, and Holly, for your fine help and support. It has been an enjoyable experience representing my class on the B.O.C., and I thank you all, again, for giving me the opportunity to serve you.

JOHN MATSUI

CLAIRE GARDNER
Treasurer

This, the L-10 Class, to my knowledge the largest in the history of B.H.S., is one of truly great potential. We can clearly see this as we look back over our many achievements and great successes both as a class and as individuals in the now past, Fall Semester.

This is but a beginning in our high school careers and soon in the near future we will look upon these days with fond memories. We, in another sense, have come a long way, for we have learned to become a part of this wonderful school.

I wish to thank the students of the L-10 for their support during my term of office. Combined with the cooperation and interest taken by Julie, Betty, Claire, Dennis and our class sponsor Mrs. Small, this has been a most gratifying and rewarding experience serving as L-10 president and representing you on the B.O.C.

The best of luck to our next class president and to all of you in the years to come at B.H.S.

The purpose of this 9-student council is first of all to unite the various groups in Drama, Music and Speech and then to act as a liason between us, the rest of the students and the faculty. We have a member on the B. O. C. and hope to promote the wishes and understanding of the people we represent.

The American Field Service aims to further international understanding and friendship through student exchanges. It places students from over fifty cooperating countries into U.S. families. Here they live as Americans—attending school and participating in the life of the family and community. The AFS program provides a broadening experience for the student fortunate enough to go abroad as well as for those in this country. Thanks to my fellow officers and our sponsor, Miss Bennett, for all their hard and diligent work.

Bruce Rosen

Now that I have been at Berkeley High for close on three months I feel that I can say truthfully that I belong. And to belong to such a great school is indeed something to be proud of. These first months have been strange ones for me—everything so new and big—but the friendliness and helpfulness of you all has made it so much easier to settle down. I know that this year will be unforgettable and I want to say thank you for making it possible and so much fun.

Susan Markham

This, my first semester here at BHS, has really been great. To live in a different community and to attend a new and different school is quite a new experience for me. Every day brings something new, and I assure it is delightful to be an AFSer at BHS. Everyone smiles at you and I feel welcome everywhere. I look forward very much to next semester, and to be able to know more people and more about the United States.

Knut Bachke

Concert Chorale is the highest afficiation of the choral dep't. It is made up of girls promoted from Aeolian and boys from Harmoneers. Concert Chorale is directed by Mr. Robert Pearson who subjects the chorale to the most challenging music and musical curriculum possible. The chorale travels throughout the Bay Area rendering satisfaction to the ears of those who hear. The chorale is known for its top quality performances. This semesters officers are: Warren Reed—Vice president, Susan Swindig—secretary, Jana Dremann and Roger Haseltine—robe committee.

Respectfully,

Alonzo Strange, President

This year Bel Canto is the largest in history, 130 strong. This size enables a very diverse selection of music. The choir will participate in this year's Christmas program and will also sing at Willard Jr. High. Bel Canto is widely known in the Bay Area for its excellent performances.

Thomas Haynes, Director

Under the outstanding leadership of Mrs. Hardester this semester's Aeolian Choir has worked diligently to prepare music for the entertainment of various audiences. The seventy-six girls have shown interest and concern in maintaining the high standards attributed to Aeolian. We are working on our music for programs and the Spring Festival. I wish to thank my fellow officers for all their efforts this year.

Gwen Fuller, President

The Harmoneers are a harmonious, all male chorus 65 strong. They are similar to the popular barber shop quartets in that their curriculum is made up of songs (folk, spirituals, hymns and popular show tunes). The chorus has also been doing more serious works such as masses and cantatas. The Chorus is known throughout the east bay as being the most outstanding high school male chorus. The chorus is under the direction of Mr. Robert Pearson who, with the other officers, has made the choir a success.

TOM PARKER
Head Coach

The 1963 Berkeley High Yellowjacket football team was the surprise team of the A.C.A.L. Picked no higher than fourth in the pre-season polls, the Yellowjackets surprised everyone but themselves by finishing at the top of the league with a 7-0-1 record and an overall record of 7-1-1.

The '63 Jackets were a hard nosed group of football players who took great pride in their fine defense, a fine offense, and their "TOE" John Oakley.

Team Unity and spirit definitely played a large part in the success of the Jackets; although the Jackets were not without their individual stars—Smith, Robinson, Johnson, Schweirs, Nakahara, Austin, and Sloan were recognized for their extra effort.

They brought back the championship, but even more they brought back pride and tradition—they were a team to be proud of—a team to remember—the '63 Berkeley High School Jackets.

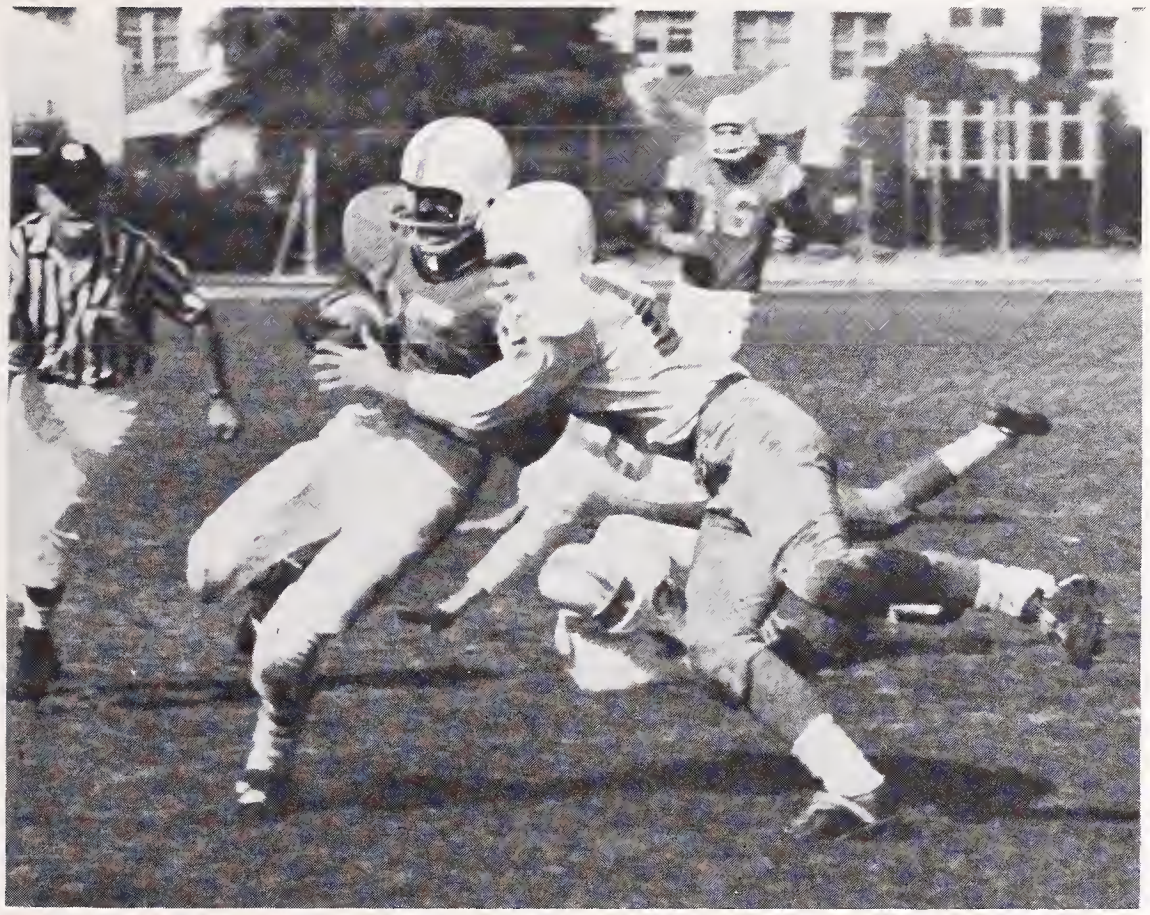
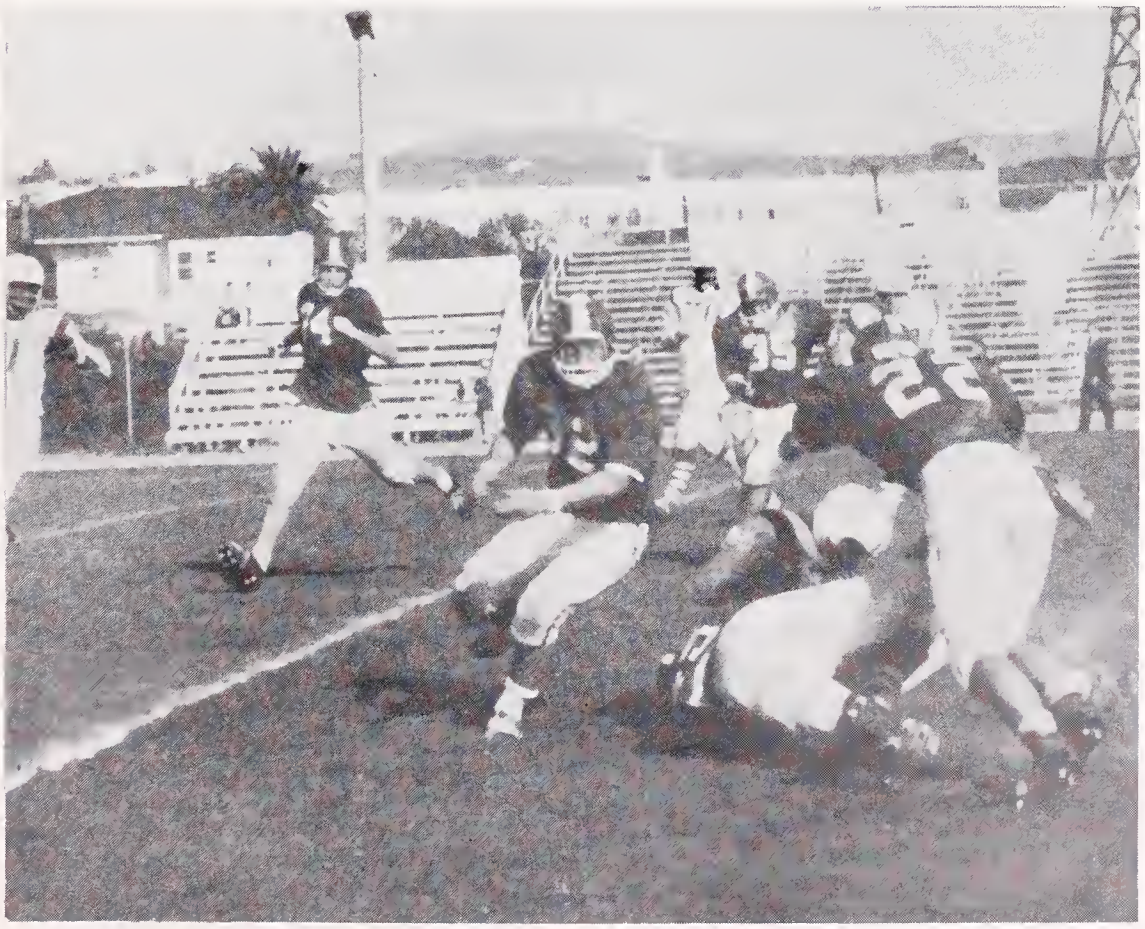
A.C.A.L. Football Games



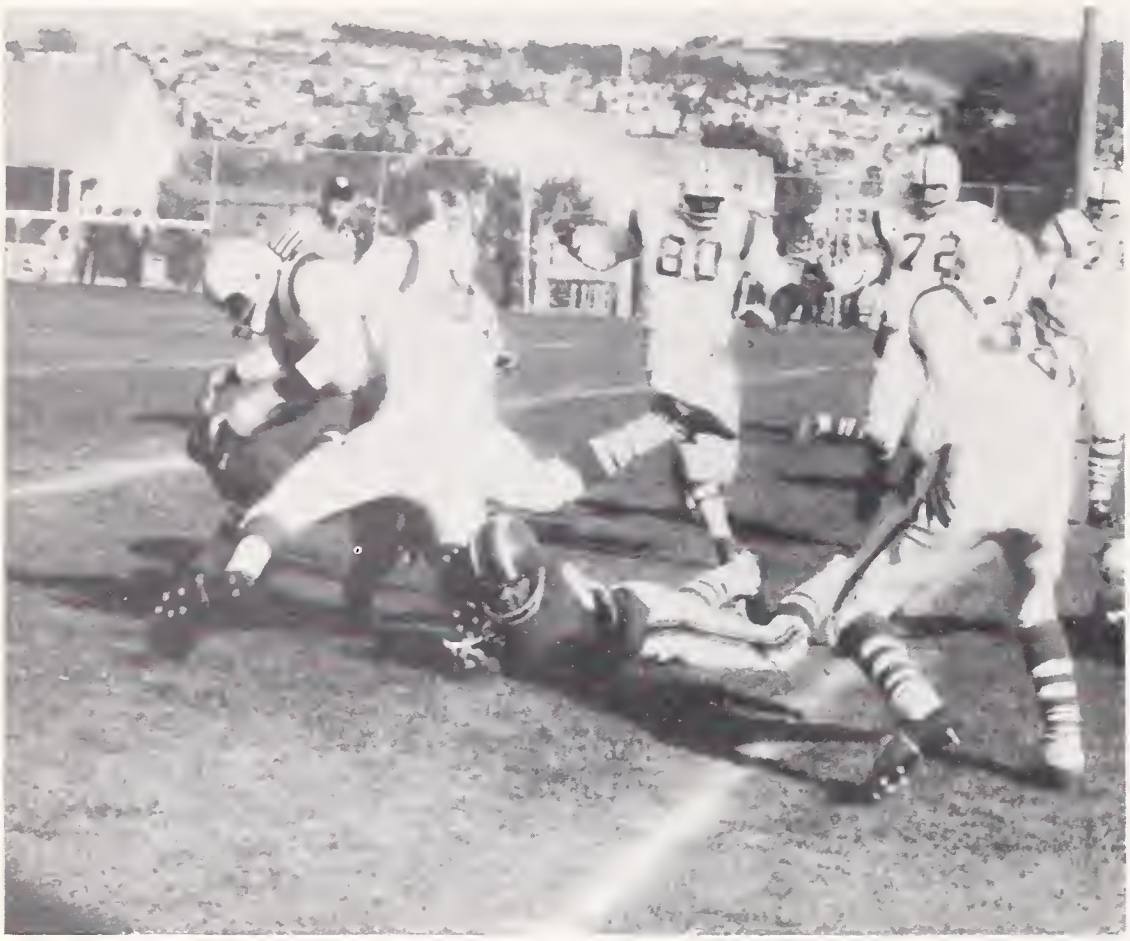
This was one of the few times De Anza was able to stop the charging Yellowjackets in the A. C. A. L. opener as the Tom Parker-coached lads triumphed 33-0. Here Ken Dotson shows the running form that made him one of the top Jacket ball carriers in the early season. The opening win got the Jackets off to an undefeated season, as Jesse Johnson, Paul Polk, Robert Smith and Dotson led the way past the bewildered Dons from Richmond.

DE ANZA
September 20

Richmond Oilers put a halt to the Jacket ball carrier (obscured on ground at right) in the Prep TV game of the week. The game put Berkeley's record to 2-0, as the final score read 14-12. Earnest Anderson (70) is in the background.



RICHMOND
September 27



White-shirted Jackets surround Ells ball carrier as Curlee Robinson and O. C. Austin put the stips on an attempted end run. Sloan (80), Schwiers (72), Johnson (36), Burgess (71) and Shaffer (60) prepare to close in. The only blot on an otherwise perfect season was the 7-7 tie gained on Nichol Park Field.

HARRY ELLS
October 4

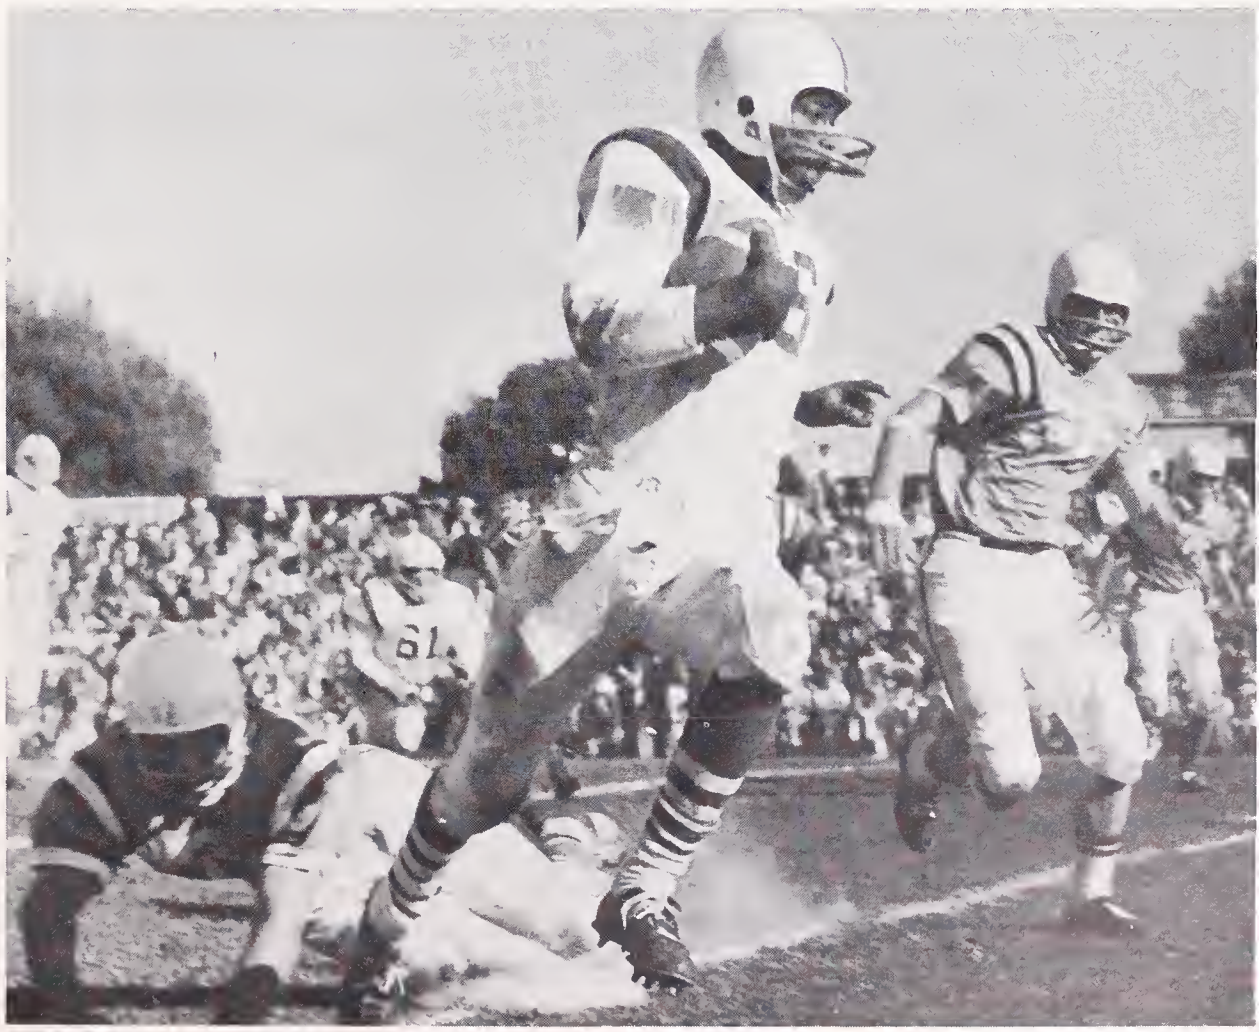
Berkeley's top ground gainer and most valuable player, Jesse Johnson, is shown exhibiting some of the skill which earned him those awards as he eludes the group of El Cerrito defenders. Mike Saxby surveys the situation. This mud-bath of a game on Beidenbach Field saw the Jackets squeeze by the arch-rival Gauchos 7-6 —once again on John Oakley's toe.

EL CERRITO
October 11

Ken Dotson (35) is shown completing a 60-yard scoring pass to end Robert Smith (not shown) which helped the Jackets to a 12-6 victory over tough San Leandro. The victory kept the Jackets in a first place tie for the A.C.A.L. lead. B.H.S. held the Pirates on their four yard line as the game ended.

SAN LEANDRO
October 18

Jesse Johnson high-steps away from a fallen Alameda Hornet enroute to a crucial first down. The Jackets earned a hard-fought, come-from-behind 7-6 victory on John Oakley's conversion kick, in a game which virtually clinched the A.C.A.L. crown, for the rapidly improving Jackets.



ALAMEDA
October 25

Stan Nakahara (right) is too late to aid an unidentified Jacket ball carrier being tackled by two Pacific defenders. Berkeley clinched the A.C.A.L. title with a 27-6 romp.

PACIFIC
November 1

Curlee Robinson, all A.C.A.L. tackle, puts the stop on an Encinal ball carrier in Memorial stadium. The A.C.A.L. title became Berkeley's in this 37-13 romp. Otis Goree (40) and Jesse Johnson (36) look on.

This has enabled us to have our semi-annual dinner at the end of the semester. At this time I would like to thank all of those who help sell the pencils, and the ice cream at the games.

For our success this semester, I would also like to thank Colin Hasse, vice-president; Mr. Allin, our sponor; and Mr. Davies for his continuous assistance.

The Girls Athletic Association — better known as the GAA—has again carried out its tradition of having an active semester.

Participation was high in all the clubs: Leaders, Rec. Swim, 50 Mile Swim, Volleyball, the new Sailing Club, Junior Dance, and the Tennis, Basketball and Swim teams.

Not only did the clubs have busy competitive schedules with other schools, but GAA members also had a cake sale, a volleyball and tennis sportsday with six other schools, and a shanghai of the new Leaders.

Of course, none of these activities would have been possible without the members who worked so well and supported GAA—and a hearty thanks to all of you.

I also want to thank everyone on council, my officers Di, Sue, Holly, and Carol, and especially Miss Anderson, our sponsor. You have all kept this a smoothly run—and FUN organization.

Here's to continued progress in GAA.

Sincerely,

Andy Hammond

CLASS PRESIDENT'S MESSAGE

As we are about to graduate, we look back over the three memorable years that we have spent here at Berkely High. For all of us graduation will bring us sorrow and joy. We shall never forget the friendships and acquaintances that we have made.

We are very proud of the accomplishments of Berkeley High during our stay here, and even though our class has been small we have tried to help in every way possible to make it a school we could all be proud of.

Our class shall never forget the efforts of our teachers, the crowded halls, the lunch periods on the slope, and the fact that our school has become more unified.

Serving you as president this term has meant a great deal to me. It has been an experience that cannot be replaced.

To all my fellow graduates and to those of you who continue to remain, may I extend my best wishes for all the joys and rewards of continued success.

It gives one a great feeling of pottery and security and ..... to be signing me insignificant name to your little yearbook on a great big beautiful white JAGUAR.

My day is made now. I only hope that it gives you the same great feeling it gives me. Lucky me.

Barbara —
English would have been almost my worst class if it weren't for the fact that during dull moments (i.e. discussions of colonism, Huckleberry Finn, The Transcendentalism, creative, fantastic, fun, ... in fact, just about everything) I could stare at your back and count the stitches in your sweater, and thank you for lending me a pen at crucial moments (like during Ms. Ed's Mr. Kerr's Miss Alles)
